

Version: 1.06.11.01 **LATEST**

Date: 14 Jan 2011

New Features
--------------

N/A

Bugs Fixed
------------

1. Transactions are exported up to 23:59:00 only which causes transactions from 23:59:01 to 23:59:59 not exported.

Modification
--------------

1. File Name Suffix option is now available for Single File export.
2. For Text File export, user can further define the desired file extension.

Compatibility List
--------------------

- P1 Server 3.11.11.01
